

THE ALL-NEW

AGYA

An Exciting City Car

The all-new Agya offers essential quality and high durability on long drives, and provides excellent drivability - rain or shine! It's stylish new look is also a perfect fit for savvy drivers, with its high quality finishes and attention to details.

Sophisticated Styling & Thoughtful Positioning. The interior cabin design is accented with sharp-looking texture and silver ornamentation, to express a sporty interior space. The positioning of the accelerator pedal and steering wheel has been optimized to support comfortable and easy handling.

Roominess & Comfort. This compact sedan prides itself on its spaciousness with ample room for passengers, making quick trips to the grocery or road trip adventures a comfortable experience. The Agya's expanded roominess is perfect for all your storage and utility needs.

Sporty, Powerful & Aggressive Design

The sporty silhouette of the Agya expresses a powerful presence, with its wide and solid stance offering greater stability during drive-time. It's sharp lines, voluminous pontoons and flared wheel arches add to its aerodynamic performance and robust visual appeal.

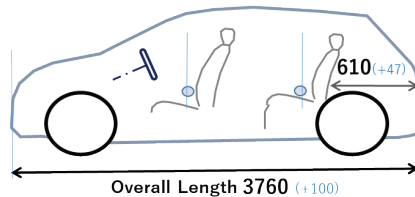

Nimble & Adaptive Performance. The 1.2L Agya has been adapted to handle harsher road conditions, such as unpaved, rough, or flooded roads; and continues to deliver a high level of performance in any environment, enabling the driver to operate safely and securely.

EXTERIOR COLOURS

The Agya is available in a range of fun and sporty colours along with a range of crisp classic options.
