

THE ALL-NEW
**YARIS
CROSS**

Toyota
Safety
Sense

Solid & Dynamic Design

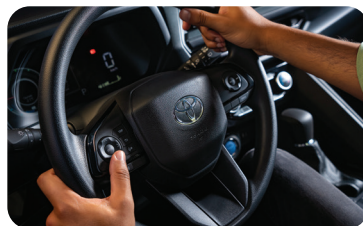

The voluminous body and solid frame of the Toyota Yaris Cross not only enhances the car's rugged appearance, but also provides a stable and confident ride.

Roomy & Sporty. The Yaris Cross boasts of an outstanding SUV-like appearance and a compact cabin that maximizes interior space; and is equipped with comfortable seating for all passengers, ample storage, and a class-leading large deck space capacity.

Safety and Security. When it comes to safety, no stone has been left unturned. The Yaris Cross hybrid is equipped with Toyota Safety Sense, a suite of advanced safety features intended to help keep you and your passengers safe during every drive.

Exceptional Handling & Performance. This compact SUV prioritizes ride comfort, quietness, fuel economy, and acceleration response. The exhilarating driving performance of the Yaris Cross provides an exceptional balance of power and efficiency using Toyota's renowned hybrid technology.

2NR-VEX

Economical & Environmentally Conscious

By minimizing emissions and maximizing fuel efficiency, the Yaris Cross reduces your carbon footprint and saves you money at the pump.
